

person, by telegraph and telephone. While he expressed his pleasure, it was evident that he had always been perfectly confident in the result.

Senator Swanson declined to make a statement last night. Mr. Glass said he expected the result, but did not think the majority would be so great. Locally, there was little comment on the returns. Estimates of the majority in Richmond had varied from a majority of 1,200 to one of 2,000 for Martin and Swanson, this, of course, being the opinion of the adherents of these candidates. A good deal of the work of organization has been done locally during the past few days.

Senator Martin, renominated yesterday, will, by the time of the expiration of his new term, have served the State of Virginia in the United States Senate for twenty-four years. His third term will expire on March 4, 1913. Confirming yesterday's primary, the Legislature will, at its coming session, elect him for the new term.

Senator Swanson, on the other hand, named for a term which began on March 4 of this year. To this term the late Senator John W. Daniel was elected by the Legislature of 1910. When the latter died Mr. Swanson was appointed, and filled the unexpired term of a year. He was then commissioned for the new term, subject to the action of the Legislature, which is determined by primary.

## HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores.
